City Council Meeting,
Tuesday, June 8th at
7 p.m. City Hall.

The 2020 Water Quality
Report is enclosed with
this billing.

Open burning ended
June 1.

Please let us know when
you fill your pool and we
can adjust the sewer
portion of your bill.

Reminders: Do not blow
your grass into the streets.
Do not let your dog(s) run
loose if they can't stay in
your yard.

Garbage recycling days
are June 10 and 24. Call
Kluesner Sanitation to
report missed garbage or
recycling at 563-927-5977.

The City is working with Deb Brown through the Embedded Community Experience to help us deal with the issues that can plague small rural communities. We are looking for students, service organizations, business / community leaders and anyone who is interested in meeting possibly June 8th during the day to help with goals and information. If interested please contact City Hall. Thanks!

Wyoming Sidewalk Improvement Project-Sidewalks along Main Street/Highway 64 will be replaced by the Iowa Department of Transportation (IDOT) to make them Americans with Disabilities Act (ADA) compliant. Projects similar to this have been completed in Baldwin, Monmouth, and Onslow. Government agencies risk the loss of federal funding if the ADA mandate is not met. The IDOT shares responsibility with cities for any portion of a state highway that is located with the city limits. IDOT helps smaller communities of fewer than 5,000 residents that may not have the financial resources needed to meet the ADA requirements on their own. Construction is scheduled to start in 2022.

The City of Wyoming will be flushing hydrants on Tuesday and Wednesday, June 15 & 16, weather permitting. Customers may experience rust in the system due to the process, caution should be taken when doing laundry to prevent stains. If you do experience discoloration you need to run your water until it is clear. Remember to check the hot water. This water is safe. Low water pressure may be experienced, you should leave your faucets off until pressure is restored. Customers with a water softener should by-pass them during the day to prevent any problems. Please call 488-3970 with questions. Thank you for your cooperation.

If you are interested in serving on City Boards please contact City Hall. The City must make a good faith effort to appoint a qualified person while complying with being gender balanced.
