Thanks to the Wyoming Fair Association from “Six Hogs & a Smoker” BBQ team – also known as the Eric & Erica (Eichhorn) family (Makenna, Connor, Hailey, and Caiden). We all had a great time at the Fair and were surprised and happy to win a First and a Second in the competition. Thanks also to Matt and Lee for organizing the event. We look forward to next year! Picture attached.

For those of you from out of the area - The 2022 Wyoming Fair was another one for the books. Rain until early Friday afternoon wiped out the evening program of 4x4 pulls, but the parade went on as scheduled, as did the roping events. The crowd followed the parade to the grounds for the Queen & King contest and an exceptionally long pedal pull. The Inglis family had 17 entrees.

The Saturday programs of sheep, beef, and horse shows had good numbers of entries. The tractor pull had a full roster of trucks and tractors with cars having to park out on the street. It wasn't a same day pull as it went almost to 1:00 am.

Sunday started out with over 500 rabbits from 4 states in that show, plenty of horses, the dog show, bucket bottle calf show, and the car show. Good turnout of easy on the eye cars. New this year was the donkey races. Thanks to the rain softening the ground, there were no broken bones as the donkeys unloaded their riders. Another new event was the BBQ contest. It was well organized, and everyone enjoyed the competition and samples.

Congratulations to the Wyoming Fair Association for doing it right again for the 88th time.

“Thank you” to Mel Haase, family, and friends of Mark Forester for their very generous memorial gift of over \$5,000.00 to the Wyoming Historical Museum. Your generosity is deeply appreciated.

Over 50 flags were collected in Wyoming to be included in the Oxford Junction Legion Post flag burning ceremony on the 4th of July.

Citizens State Bank has had a summer intern program for almost 70 years. Many of these interns have returned to work at the Bank as full-time employees and many more have become involved in the financial industry.

Charisma Dontje has been with the bank for almost a year. She will be a Senior at Maquoketa High School this year and has been involved in 4-H, National Honor Society, and Soccer. Charisma's free time is spent at football or basketball games, helping referee sports for younger kids, and working with livestock on her grandfather's farm. Working at the Bank has given her an appreciation of the importance of good customer service and communication skills.

Savannah Dykstra has worked at CSB for almost a year and is a 2022 graduate of Maquoketa High School who participated in National Honor Society and tennis. Her favorite hobby is reading whenever she gets the chance. She plans on attending Kirkwood for their Interior Design program. Savannah feels her work at CSB has improved her skills in socializing, problem solving, and time management. She has very much enjoyed her time at Citizens State Bank.

Thanks, from the Wyoming Lions Club to everyone who helped work in the carmel corn stand. We made a lot and sold it all.
